2	D9945	Occlusal guard		1	Aug. 10, 2024

**Code:** Use the actual service code and enter a service line for each anticipated visit. Denture placement is payable for up to 5 total encounters, crowns, occlusal guards and endo services up to 2 total.

**Quantity:** Enter Quantity = 1 for each service line.

**Dates:** Dates must be unique to avoid potential duplicate rejection. Anticipated service dates on authorizations are not enforced in claims payment so the accuracy of these dates is not crucial, but they should be unique dates.
